Let the romance begin...

You are cordially invited...

Resort weddings are a refreshing change from the ordinary and Bayview Wildwood Resort is far from ordinary! Situated on the shores of Sparrow Lake, just 90 minutes north of Toronto, Bayview Wildwood provides the perfect setting for a romantic resort style wedding. We invite you to the picturesque village of Port Stanton, where we offer a variety of accommodation, dining, recreation, and entertainment, for a wedding full of memories to last forever!

The Rehearsal Party

Bayview Wildwood would be happy to cater your Rehearsal Party. Whether you choose a light buffet, an assortment of sandwiches and finger foods, a full service dinner, or a BBQ by the lake (complete with bonfire!), we are sure you will be pleased. This is a great opportunity to welcome friends and family to your “wedding weekend”.

Pricing for the rehearsal party will vary depending on the type of service, menu items, and complexity of the event.

The Wedding Ceremony

A wedding at Bayview Wildwood would offer a variety of options for hosting the wedding ceremony. Choose from the nearby chapel (Anglican denomination) or from several other churches with a variety of denominations in the local area.

Consideration may be given to an indoor or outdoor ceremony on site, depending on the time of year, complexity of the set up, and number of guests. Additional charges will apply should the ceremony be held on site.
